5. Defendants will be filing a motion to change venue of the within action from the Northern District Court to the Eastern District Court;

6. Defendants will be seeking to remove the Lassen County Superior court Action to the Eastern District Court in order to join all actions by all heirs into a single proceeding;

7. The parties for all heirs and all defendants agree through their counsel that an early mediation of these actions could result in an early resolution of all claims and actions;

8. Counsel for all parties desire to avoid preparing multiple motions, stipulations, and other proceedings in these actions if the parties can reach early resolution;

9. The assets available to settle the claims of all heirs in both wrongful death actions, including available liability insurance, are fixed or otherwise limited and may be insufficient to adequately compensate all heirs in both wrongful death actions;
